# BRIEF REPORT ON PAST PROEJCTS

## 2005-2006 1ST AND 2ND AFRICAN YOUTH PEACE & DEVELOPMENT *Conference*

In 2005, AYGF organized the 1<sup>st</sup> African Youth Peace and Development Conference in collaboration with the defunct Federal Ministry of Cooperation and Integration in Africa, Institute for Peace and Conflict Resolution, National Commission for Refugees, Federal Radio Corporation of Nigeria, Mr. Bigg, with delegation from all the African Countries. The International Conference brought together youth leaders from across the continent to discuss on issues of continental peace, security, good governance, cooperation and

integration from the perspective of the youths.

Also in the year 2006, AYGF held the 2<sup>nd</sup> African Youth Development Conference; in collaboration with the Ministry of Cooperation and Integration in Africa. The success and participation was double of the 2005 edition. Since then over 20 conferences have been facilitated by the Foundation.

Kindly see pictures below;

The SEE Project was jointly implemented by Africa Youth Growth Foundation (AYGF) and Activating the Lost Dream Foundation (ALDF) and funded by ECOWAS and the Spanish Fund on Migration. The project sought to combat the ignorance of the ECOWAS Free Movement Protocol as a critical factor reinforcing trafficking in persons (TIP) activities in Idiroko border community through sensitization community residents especially women and children on the dangers of human trafficking. Appreciating the critical role of women in societal development, the project will also empowered a population of women within the community through entrepreneurship and vocational skill acquisition trainings. The training focused on vocations such tailoring and fashion designing, computer and secretarial service delivery, hair dressing, baking and bead making. Sequel to the training, beneficiaries were guided and empowered (through donation of equipment and award of seed funding) to establish small scale businesses (vocations) which will serve the community. Through this project, over 10,250 Nigerians (indirect beneficiaries) were sensitized through campaigns, social media engagements, and traditional media, the skills of 350 (Direct Beneficiaries) women and youth were enhanced on Catering Service, Tailoring, Hair dressing and the use of computer. This lead to a reduction in the rate of crime and smuggling at the idiroko border of Ogun State Nigeria.

# 2015 -2017 ACADEMIC MARATHON

*The Academic Marathon was a scholarship project put in place by AYGF in the year 2015 to help create educational development opportunities to exceptionally brilliant young Africans to study abroad in different fields. However, a special emphasis was attached to general sciences and technologies. The project was funded through a common basket fund put together by development partners, International NGOs, Governments, and Corporate Organizations across the globe who have passion to seeing Africa getting out of unnecessary human, material and development related quagmire.*

*Through the project, AYGF was able to give several scholarships to indigent Nigerian students across the 36 States of Nigeria.*

# 2018-STEP-OUT CAMPAIGN

(Democratic Governance)

The step out campaign was organized by AYGF in collaboration with the National Orientation Agency (NOA), to sensitize Nigerians on the danger of voter apathy, election violence, thuggery, vote buying and selling, etc, also sought to urge Nigerians to come out in mass and vote on the day of elections.

At the end, the executive director, AYGF, the NOA and other stakeholders addressed the crowd at the popular Bergar round about, the road walk was well attended with over 500 Nigerians.

# 2019 - Youth LEADERSHIP AND MENTORING Programme

AYGF in partnership with Nile University organized the Youth Leadership and Mentoring Programme in the year 2019, the project was aimed at creating an avenue for mentors to pitch their leadership/ business ideas in providing guidance and direction to the youth and young leaders who may venture into the leadership space in the future. The programme was a success, it was well attended by Young Politicians, Young Professionals, Students, Young Entrepreneurs, Public figures, personalities. There was interactive session, questions and answer session between the mentors, mentees and other participants at the event.

# 2019-EXTENSION OF LABOUR INSPECTION ACTIVITY AND LABOUR LAW ENFORCEMENT TO SECTORS AND WORKPLACES WHERE MIGRANT WORKERS MAYBE PRESENT

AYGF in the year 2019 - 2020 implemented the Extension of Labour Inspection Activity and Labour Enforcement to Sectors and Work Places Where migrant Workers May Be Present. The project was funded by the European Union Through the International Organization for Migration (IOM) and implemented in tandem with the Federal Ministry of Labour and employment (FMLE) and the Nigerian Immigration Service (NIS). The major objective of the project was to carryout base line survey to ascertain the level of compliance and conformity of Labour law enforcement in the Country vis-a-vis the migrant workers in Nigeria and access how that has impacted on the welfare and wellbeing of migrant workers in Nigeria in the context of implementation and compliance with National

Policy on Migration, National Policy on Labour Migration and other International Labour conventions and treaties. The project was successfully completed and the final project report has been published by the International Organization for Migration (IOM), copies of the report will be disseminated strategically in libraries, Ministries , Agencies and Schools for public knowledge and research for the report is the frst of its kind in the history of Nigeria. A total of 626 migrant workers filled the questionnaires, A final report on the spread/data of migrant workers was published for public consumption/ resource material disseminated in Schools, libraries, Ministries etc.

# 2020- CAPACITY BUILDING OF BORDER OPERATIVES FOR MIGRANTS PROTECTION PROJECT (CABOMP)

AYGF with funding from the European Union through the International Organization for Migration (IOM) implemented the Capacity Building of Border Operatives for Migrant Protection (CABOMP). The main objective of the project is to ensure improved migrant protection and human rights conditions in Seme (Lagos), Jibiya (Katsina), and Mfum (Cross River) border, through this project the knowledge and understanding of border operatives on issues of migrants' rights was enhanced. The project was implemented in tandem with the National Human Rights Commission (NHRC), Nigerian Immigration Service, and National Agency for the prohibition of trafficking in persons (NAPTIP). The knowledge of 250 (direct beneficiaries) Border officials was enhanced on the rights and privileges of Migrants at the select Borders. Also, the project had 4,550 indirect beneficiaries through the step-down training conducted by the officials including through the traditional and social media.
