INTRODUCTION

As we draw the curtains in May, we look back at some of our impact stories, reflect on new relationships and partnerships forged, and take you through fun moments that remind us of the importance of work-life balance. From our **Nutrition impact project success story in Niger State to testimonials, Commemoration of international days, First Board Meetings, Courtesy Visits to our Friendly Football Match with the good people at the Médecins Sans Frontières (Doctors Without Borders)**

As we proceed into June, we are excited about the projects and new opportunities inherent for us as an organisation. We hope you continue to stick with us on this journey of impact and community development in shaping the world one day at a time.

ANRiN STAKEHOLDERS BI-ANNUAL MEETING FOR NIGER STATE

The ANRiN Project Steering Committee Meeting served as a pivotal platform for strategic oversight and guidance to ensure the effective implementation of the Accelerating Nutrition Results in Nigeria project in

Niger State. This bi-annual gathering as mandated by the World Bank, was to review progress, address challenges, and provide direction for achieving project goals.

Nutrition serves as a cornerstone of human development, shaping health outcomes, economic productivity, and overall well-being. In response to the urgent need to address malnutrition in Nigeria, the Accelerating Nutrition Results in Nigeria (ANRiN) project was initiated to ignite positive change within Niger State. Implemented by non-state actors, AYGF and Plan International across 25 local government area.

The bi-annual gathering had in attendance the Niger state Commissioner for secondary & tertiary health, Dr. Bello Tukur, Chairman house committee on Health Niger House of Assembly, Hon. Umar Nasir, our Executive Director, Dr Arome Salifu, Director of Resource and Mobilization Plan International, Dr. Oji Ogbureke and other relevant stakeholders as mandated by the World Bank, aims to review progress, address challenges, and provide direction for achieving project goals.

AYGF ACCELERATING NUTRITION RESULTS IN NIGERIA (ANRiN) TESTIMONIALS - KATSINA STATE

In the last 3 years, AYGF has implemented the Accelerating Nutrition Results in Nigeria, ANRIN Project across Kogi, Niger and Katsina States. This initiative has provided commodities such as Vitamin A, MNP, Albendazole, Zinc. ORS and provided counseling for maternal and infant health. Here's a few testimonials from some beneficiaries in Kaita LGA of Katsina State.

Protecting the health of mothers and children is our passion. It's one step closer to achieving SDG 3.8: Universal Health Coverage.

Let's do our part and work towards a world with no malnutrition.

AYGF COMMEMORATES WORKER'S DAY 2024

AYGF joined the rest of the world to commemorate Workers Day on the 1st of May with a short video to serve as a reminder that we value their dedication.

To our dedicated and resilient workers in our various offices who work tirelessly to improve the lives and overall health of people in different communities, we say **THANK YOU**.

Enjoy the video documented for the celebration of Worker's Day at AYGF.

AYGF COMMEMORATES WORLD HYGIENE DAY 2024

Clean hands are a simple yet powerful tool to prevent the spread of disease.

As a champion for WASH, AYGF commemorated the World Hygiene Day, urging everyone to make handwashing a priority.

Together, let's encourage proper handwashing practices and ensure access to clean water and sanitation facilities. Let's save lives by cleaning our hands.

AYGF COMMEMORATES WORLD MENSTRUAL HYGIENE DAY 2024

AYGF was fortunate to commemorate World Hygiene Day 2024 with an insightful new episode of our S.E.N.S.E podcast centred around the topic.

World Menstrual Hygiene Day is an annual awareness on May 28 to highlight the importance of good menstrual hygiene management and break the taboos surrounding menstruation. It was initiated by the German-based NGO WASH United. The day rallies the international community to advocate for a world free of period poverty and stigma, and to take urgent action to improve menstrual health.

In commemoration of Menstrual Hygiene Day, our episode focused on the theme: Together for a #PeriodFriendlyWorld. Our guest, Ms. Ayomiposi Ogundipe, Founder of the Ablefort Initiative (AFI) and a passionate advocate for girls and menstrual hygiene, discussed the stigma and taboos surrounding menstruation, along with potential solutions to create a supportive environment.
